## Hoylake and West Kirby Cottage Hospital and District Nursing Association.

---

*An earnest appeal is made to all residents of Hoylake, West Kirby, Meols and neighbourhood, to support by their contributions, large or small, this the principal exclusively local charity.*

*For the maintenance of the Hospital approximately £8,000 has to be raised annually; for the District Nurses about £800.*

Subscribers will greatly help the Treasurer if they will kindly pay their Subscriptions as early as possible in the year, either to him direct at the Hospital, or to the account of the Hospital at the Westminster Bank, Limited, Hoylake.

Annual Subscribers of £5 and upwards have, for every sum of £5 subscribed, the right of giving a nomination for four weeks' free treatment in the Hospital.

Annual Subscribers of less than £5 **CAN OBTAIN** from the Matron for each half-guinea subscribed, a voucher which will be accepted as the equivalent of 2/6 towards payment of any charges due from a patient.

But these rights of nomination and vouchers are available only for the benefit of those patients who are unable without hardship to pay the minimum charges prescribed in the Bye-laws

Every Donor of £50 is entitled to be enrolled as a Life Governor.

A form is enclosed on which Subscriptions may be entered, or on which an order to the Subscriber's Bank may be given. *The use of the latter form is a convenience, always to the Treasurer and often to the Subscriber, since it saves the trouble of writing each year.*

## REPORT FOR 1945.

---

The Committee have pleasure in presenting their report for the year 1945.

The Committee offer their congratulations to Mr. C. A. Wells on his appointment to the Chair of Surgery in the University of Liverpool in September, 1945. This appointment necessitated his resignation from the post of Visiting Surgeon to this Hospital but he has generously consented to retain his connection with the Hospital as "Consulting" Surgeon.

The Committee welcomes the return from war service of Mr. Dunlop Hamilton, who has resumed his duties as ophthalmologist, and acknowledges with gratitude the services of Mr. Ernest Allan who acted for him in his absence.

The Committee congratulates Sir James Dyer Simpson on the Knighthood conferred on him by His Majesty in the New Year's Honours list.

The Committee also welcomes two of its members back from war service—Messrs. J. Rigby and G. Walford.

The Balance Sheet and Income and Expenditure Account will be found on pages 6, 7, and 8, 9.

The work of the Hospital has increased; the number of patients admitted was 480 and the number of patient days 8,981 compared with 431 patients admitted and 8,449 patient days in 1944; the average number of beds occupied daily was 24.63 compared with 23.08 in 1944. Out-patient attendances increased from 6,100 in 1944 to 6,400 in 1945 (see pages 18-20).

Details of the work done by the District Nurses is shown on page 20 ; the number of visits paid has gone down by about 100. Nurse Vaughan and Nurse Robinson carry on their work in the district with satisfaction to the patients and the inspecting officers of the Queen's Institute and the Cheshire County Nursing Association.

Through the kind intervention of Wing Commander Dawes and courtesy of Colonel Scawcroft the Committee were able during the summer to secure the services of German prisoners of war to remove the sandbag walls and palisading and brick work protecting windows, at no cost to the Hospital except making good necessary damage to walls, etc.

In August Mrs. Wood retired. She had been a most capable clerk to the Hospital for 11 years and her departure was felt as a very great loss. Miss O. Curtis was appointed in her place.

The Committee express their thanks to all who during the war years have helped to keep the Hospital and District Nursing Service going by their personal service or gifts of money or in kind, to the Visiting Surgeons and Physicians and the General Practitioners of the neighbourhood, to Miss Buxton (ex-Matron), the Matron, Nursing Staff and to the ladies of the Red Cross Society and St. John Ambulance Brigade, and to the Ladies Committee and the District Nurses, to the Blue Box Committee and their collector, Mrs. Sherwin, and to all who have arranged sports and entertainments, especially the bowlers, and to all our donors and subscribers.

The Government's National Health Service Bill is now before Parliament and seems intended to put an end to Voluntary Hospitals and to substitute a State regulated and State supported system. However, it is generally expected that the new system cannot be put into force before the beginning of 1948; it is therefore essential that in the meantime this Hospital should continue to receive voluntary support on the same generous scale as before.

The maintenance of the Hospital and of the District Nurses are separately accounted for, although administered by the same Committee, and it is earnestly hoped that residents will realise how important it is that both these necessary forms of local social service should be heartily supported.
